

Best in its class!

The new Nilfisk GU series of uprights is designed to clean quickly, quietly and efficiently. With high-grade filtration and a HEPA filter option on all models, these upright vacuums secure a good indoor air quality.

They can be used for offices and hotels as well as in hospitals, nursing homes and elderly-care facilities.

Easy to use, easy to handle, and built to withstand the inevitable knocks of everyday use, the new Nilfisk GU series takes upright vacuuming to a new level of efficiency.

PRODUCT FACTS

- Flat to the floor design for cleaning under furniture
- Built in extension hose and tube for cleaning hard to reach areas
- Excellent filtration system, HEPA available for all variants
- Adjustable brush height to suit all floor surfaces
- Dust bag is easy to change
