

### Performance, ergonomics and durability

The ideal partner for cold water cleaning tasks in all sectors. High performance, unbeatable ergonomics, low noise levels and easy servicing make this an unmatched pressure washer.

The POSEIDON 5 line comprises 4 models with different levels of performance and equipment adapted to most general cleaning tasks whether they require high pressure or high water capacity. The robust and stable design make the POSEIDON 5 adapted to even the toughest environments. XT versions possess a wide range of additional equipment.

### PRODUCT FACTS

- 1450 rpm motor pump units.
- 50% reduction in noise level.
- All controls in one place for ease of use.
- Visible oil level.
- Hose reel, additional hose, rotary nozzle lance on XT models.
- Full ceramic piston sleeves.
- 6l detergent tank on all models.
